FAQs

How do I arrange care?

If you are thinking about choosing Castle Home Care Services, thank you. Please call into our Bedale office, or get in touch via our website, send us an email or give us a call and we will be happy to help.

What will the care worker do?

Each of our clients' has an individual care plan, which is tailored to their needs. For the care services we offer, please see our services on the opposite page.

How much do care services cost?

We put together a detailed plan for each of our clients including the care to be delivered which will show the weekly costs. Some people may be entitled to assistance with the cost of their care.

Will I have the same care worker each day?

Depending on how many weekly visits you have will depend on if it is the same care worker each visit. During times of holidays and care worker's time off you may receive another care worker. However, we do try to keep the number of care workers to a minimum as we promote continuity of care to all our clients.

Whatever your requirements, we're here to give you a helping hand.
